CENTRAL HIGH SCHOOL
KANSAS CITY, MISSOURI

FOREWORD

The cheering at the games, the hum of happy conversation, the class and organization discussions, the speeches, and songs in assembly — we are unable to record for you.

But the friendly faces, the familiar scenes, the groups and activities, the achievements of teams and individuals — these we have recorded on the pages that follow.

We have enjoyed compiling this Memory Book of the months from September, 1961 through May, 1962. Our hope is that you will receive much pleasure in the years that come in retrospection of your happy school days.

Of ethics and philosophy he read,
Kept Aristotle right beside his bed.
When he spoke; what he said was clear,
And full of sense, so that you wished to hear;
Of high ideals and virtue was his speech;
And gladly would he learn, and gladly teach.

Chaucer

... a one of the best friends
I ever had, those we cannot be
near & sometimes in the future we will
always. I can't think of words to express
my feelings toward you but I can say
I like you very much.

I can only hope that one day we will
be better than friends. Good luck
in the future and remember me as I remember
you.

Love you always

FACULTY

To the 1962 Senior Class

Cherish your education, cherish your understanding, cherish your visions, cherish your ideals, and cherish the fine things and good thoughts that grow in your minds, for out of these grow the great and enjoyable things of your life

James F. Boyd.

There is growing conviction that our society demands that all who have the ability must receive at least a high school education. At the same time it is demanded that graduation from high school represent a high standard of academic accomplishment.

The class of 1962 now emerges from a program of study that was designed with a sensitivity to these two demands. In a broader sense, responsiveness to the needs of the young people of today has dictated that your educational experiences also provide an opportunity for development in many other areas that are considered vital for effective living in our society.

Upon the shoulders of your generation, the emerging adults, rests a heavily awesome responsibility—the preservation of mankind. Somehow, you must find a way to build on to the foundation of your high school work a purposeful educational structure that not only exploits your fullest potential, but also contributes positively to man's relationship to man. The extent to which you are able to accomplish this will reduce by that much the crucial lack that now colors the affairs of mankind. It will also be a measure of true success.

My congratulations and best wishes to you.

Robert R. Wheeler

One important objective of Central High School's education is to develop leadership among its students with the hope that they may go into community and national life with conviction and purpose. Leadership is basically the art of accomplishing a mission through people. Leadership cannot be just a mandate or an order. It must have a purpose, an explanation or reason that influences another person to think the matter through, to evaluate, reach conclusions and make decisions. One may say leadership is the acceptance of moral responsibilities.

God, through your parents, gave you intelligence; Central has been instrumental in directing it. Through your associations at Central, you have also developed a knowledge of human understanding and the meaning of what it is to have the courage of conviction.

Intelligence, understanding and courage when properly combined will give you the authority to lead your fellow man.

It is the faculty's hope and desire that you graduates of '62 have acquired at Central these abilities for usefulness and happiness.

To be, or not to be, that is the question;
Whether 't is nobler in the mind to suffer
The slings and arrows of outrageous fortune,
Or to take arms against a sea of troubles,
And by opposing end them.

.

This above all: to thine own self be true,
And it must follow, as the night the day,
Thou canst not then be false to any man

We seniors in retrospect look back over the four years we have been bound together in class organizations and in school activities; and we count the friends we have made among our classmates and teachers. We realize how far through the arch of experience and knowledge we have progressed toward the horizon of life, which we see ever fading as we have taken the forward steps.

Milestones that we will leave for the juniors to measure their achievements by are not a few. Our high scholastic students are Burnetta Anderson, Carolyn Bryant, Forestal Lawton, Sherilyn Myers, Deborah Thomas, Sharon Smith, and Barbara Vertreese.

The awards we have won include second place in the American Legion Oratorical Contest by Forestal Lawton; All City First Team Football, Robert Wright; Eagle Scout Award, Don Holbert from Delano. This is a very great achievement, because he won this despite his crutches.

Our usual school contests had able representation: United Campaign, Ronald Holden; Betty Crocker, Rose Weldon; Youth and Government, Judy Miller, Ed Scott, Deborah Thomas, and Richard Tolbert; N.R.O.T.C., Richard Tolbert; and Annual Music Contest, Cheryl Williams.

These are but the early few of our successes. Our hopes are high and our determination great that the glorious flame of renown will not be dimmed by the 1962 graduates.

In anticipation we look forward to a life of usefulness to our country and happiness for ourselves.

SENIOR PROPHECY

Worn by the daily grind and from the pressure of dead lines I doubled my dose of tranquilizers and reclined, as best I could, in my desk in 301. Head on arms, I soon was in the company of Morpheus. He took me by the arm, and Whiz! in rocket-like speed we crossed the twenty-five years and I found myself in 1987, at the north door of "Dear Old Central." A wave of the hand and I was whisked to the fifth floor. (I dimly recalled the struggle we went through back in 1961-62 for an elevator). How I had always wished for an opportunity to roam the attic! Attic? My word! Here was the most glamorous banquet, dance hall, auditorium all rolled into one, done in platinum! Out shining Liberace! In "silver armour" sat smiling George Hern-don playing the diamond studded piano! George's grey-ing sideburns and goatee gave him a distinguished appearance as he whisked out his coat tails and started "The Storm of Nature," his most recent composition.

Near the piano stood Judy Miller, Cheryl Williams, Jacklyn Thompson, and Brenda Locke in shimmering decollete, ready to repeat their success at the Metropolitan

Rushing over from the refreshment tables to greet me were more of my former classmates. Time had dealt kindly with them. I recognized Richard Tolbert, now a director in the New York Stock Exchange; Forestal Lawton, a criminal lawyer in Hollywood; Ronald Holden, a professor of mathematics at Harvard; Josephine Daniel, head of Occupational Therapy at Research Hospital; Brenda Dunson, taking a few hours off from her very successful run as Lady MacBeth on Broadway.

I broke reluctantly away from this group to meet glamorous Deborah Thomas who I found to be the owner and chief designer of a dress shop, counting the crowned heads of Europe as patrons. With Deborah were Carolyn Bryant and James Burgess. Carolyn is the successful nominee for the senate seat left vacant by Ernest Brown, who is the ambassador to Ethiopia. James,

with ribbon and star across his chest, is the first Poet Laureate of the United States.

I caught a glimpse of three charming women greeting a fourth. There was something familiar about them. So taking the arm of Rose Weldon, professor of Home Economics at Smith, we crossed to join Sharon Smith, Barbara York, and Chequita Shaw who were welcoming home from Germany Marion Eden. Each of these women are married to successful business men and glowed in the satisfaction they were having as members of the Young Matrons' Club.

On my way for a cup of "punch" now more popular than Coca Cola, I met its inventor and the main stockholder in "Pinchola," Louis O'Neal. With him was Richard Carter now head librarian of the Plaza Branch Library. Richard was suggesting to Louis that he employ Barbara Vertreese to design his new summer home at The Lake of the Ozarks. (She has the assignment to straighten the Leaning Tower of Pisa.) Barbara suggested we go over to the South Wall to view the mural painted by Robert Bass, the winner of the Thomas Hart Benton award for native art. By Robert was Jacqueline Smith, flush with satisfaction from hearing of the sale of the millionth record of her rendition of "Drink to Me Only with Thine Eyes."

John Collins, football coach at K.U., we see, made his most coveted "touchdown," for by his side is Sandra Walker wearing a sparkler and wedding ring. With them is Evelyn Jones whose column "My Word for It" appears daily in the *Sstar*.

My tranquilizers having spent their effect, I was rudely awakened by the lunch bell and I joined the angry mob in the cafeteria for my daily carbohydrate binge, determining to try jumping time and space again soon for a peep into the future.

Yours truly,
The Centralians

DELANO

R. J. DeLano School is a school for orthopedically handicapped children from kindergarten through high school. Situated on the northside of Linwood Boulevard it forms the third in the Central group. In 1940 Central became the accrediting agency for R. J. DeLano School, thus enabling the graduating seniors to be graduated with the Central Seniors and to receive a Central diploma. These graduates, while taught in the main by a homeroom teacher, have the privilege to enter a university without question as to the fulfillment of their requirements. In 1943, under their principal, Mrs. Nell Dabney and the Central principal Mr. Otto F. Dabach the first graduating class was graduated. Many of these young people have gone on to high institutions of learning and have earned bachelors and masters degrees. This year five young people are completing their secondary school work and will receive their diplomas with the Central class.

Mrs. Olivia E. Mathewson is the homeroom teacher and Miss Mary Alice Gibbons is principal of R. J. DeLano School.

JUNIOR CLASS

In addition to the traditional service of the juniors in making the arrangements for the Junior-Senior Prom: ie, providing the place, the band, and the decorations, this year they had Junior Night at the basketball games.

February 16 was the Junior Night at Lincoln High School where Central met the Lincoln team. All the week of February 12-16 juniors wore red and white badges advertising the game and giving them the permission to cast their votes for a king and queen of the juniors. The candidates for these coveted positions were: King: Milton Clark, John Cunningham, Rodney Lynk, Russell Rhodeman, and Lee James Smith. Queen: Diana Brim, Jackie Fanniel, Tonia Greene, Katherine Rodgers, and Gayle Vaughn.

Mrs. Doris Reek, Mr. Poleson, Mr. Harris, and Mrs. Miller are the junior class sponsors.

SOPHOMORE CLASS OFFICERS

Toledia McIntyre
Sergeant-at-Arms

The sophomore class followed the pattern of consideration for others set by one homeroom during their freshman year. This year the class conducted a second "Care Drive" under the sponsorship of Mr. J. H. Cooper. "Care" buttons were sold, contributions were collected, a humorous skit presented in the auditorium to an audience paying a dime for admittance, and a Valentine's Day mixer was held, admittance, a quarter. All these projects netted upwards of \$240.00. The crowning of Toledia McIntyre as "Care Queen" by Mr. Cooper was a special feature of the Valentine mixer. Standing on a platform decorated in red and white crepe paper, tiara on her head, flanked by her princesses, Toledia was a very attractive queen. Much credit for advancing the cause of the drive is due Claudia DeGraffenreid.

The class sponsors this year are Mrs. Burkhardt, Mrs. Jones, Mrs. Nelson, Miss Schaller, and Mr. Weigers.

GOLD MEDAL HONOR SOCIETY

Central Honor Society is an honorary scholastic organization for the purpose of furthering academic achievement and is open to any student maintaining at least fourteen scholastic points for two successive semesters. After attaining the necessary fourteen points for two successive semesters a student is eligible for membership and may wear the bronze medal. After four successive semesters have been attained a student may wear the silver medal, and after seven semesters the coveted gold medal.

The pride of their accomplishment is evident in the Honor students on Honor Society Day when they proudly wear the pink and white carnations pinned to their left shoulders. Dr. Jeremiah Cameron is the sponsor.

FIRST SEMESTER STUDENT COUNCIL

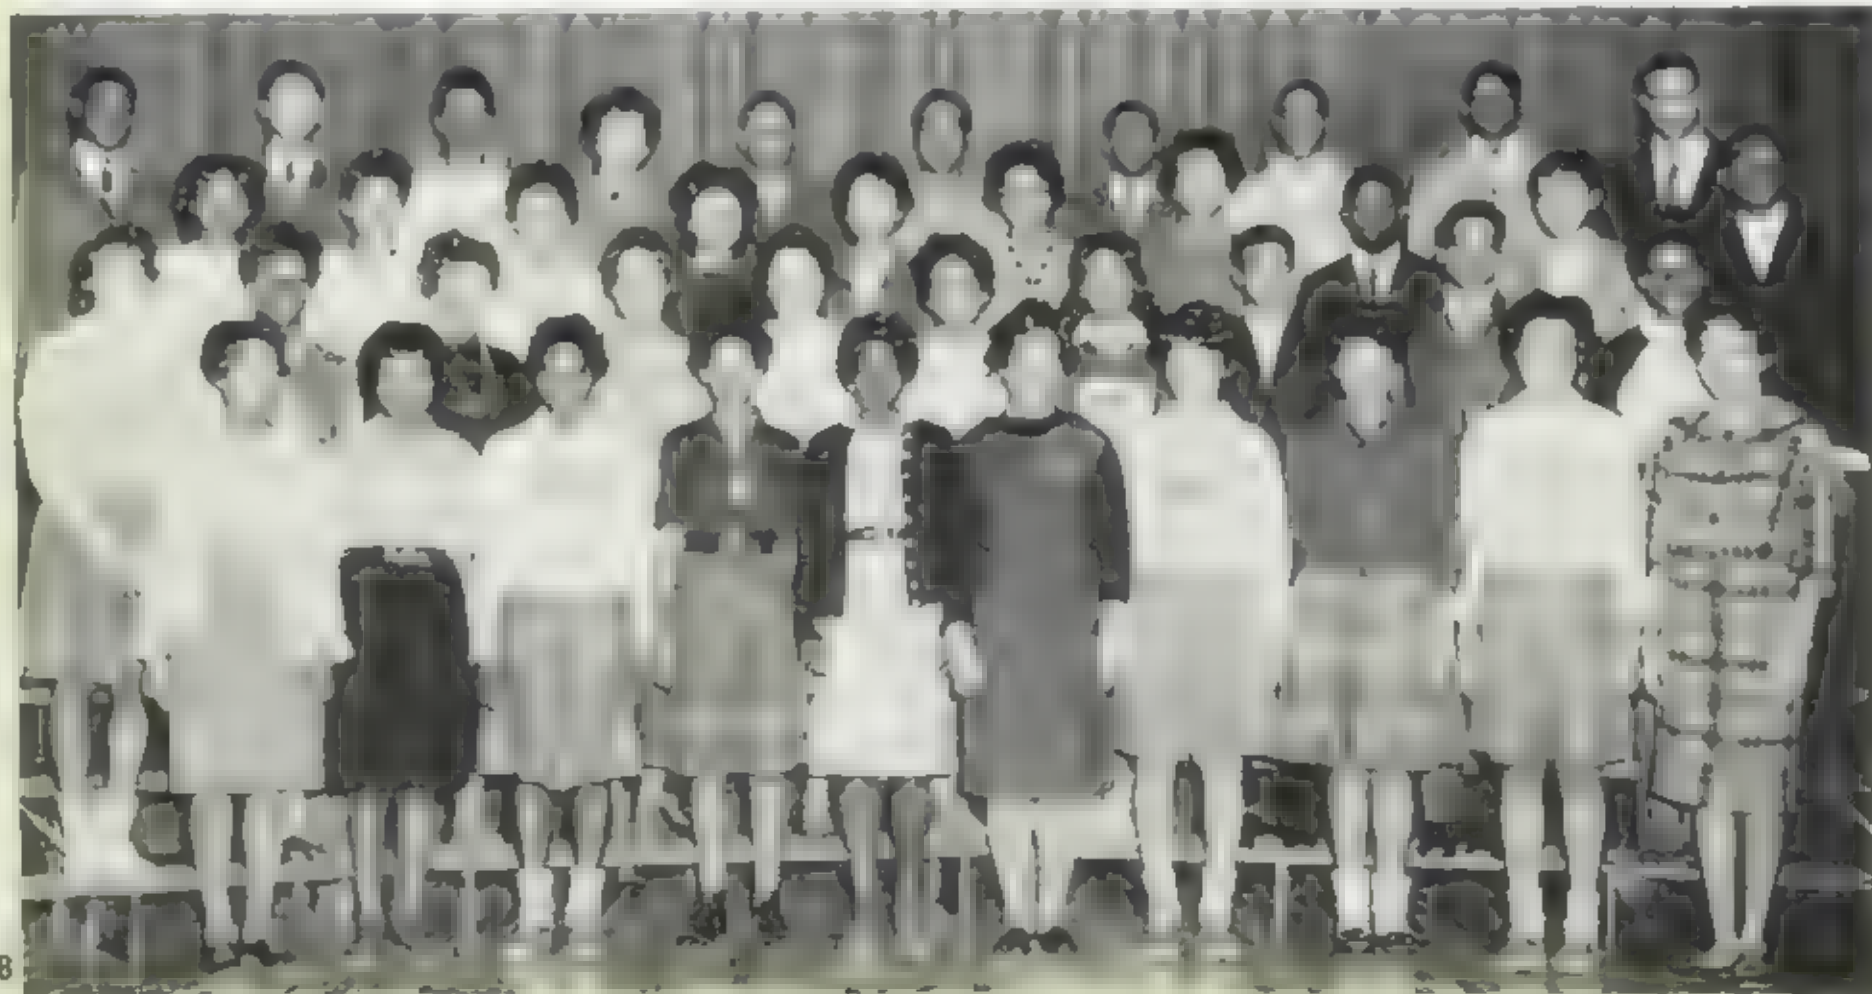

The purpose of the Student Council is to provide student government and to promote better relations with other schools. Its members are chosen by the homerooms while the entire school votes for the president and vice-president. In order to be a member of the Council, a student must have an 'M' average and good character ratings. The Council held meetings on the second and fourth Tuesday of each month. This group of Central's finest were ably supported by their two sponsors, Miss Leibengood and Mr. Cooper. The first activity planned by the Council was a free mixer held in the boys' and girls' gyms. A United Campaign drive conducted by the Special Funds committee was then held in which the Central District contributed more than any other district. The School Spirit committee spearheaded the Home Coming activities. A Queen was elected and all the

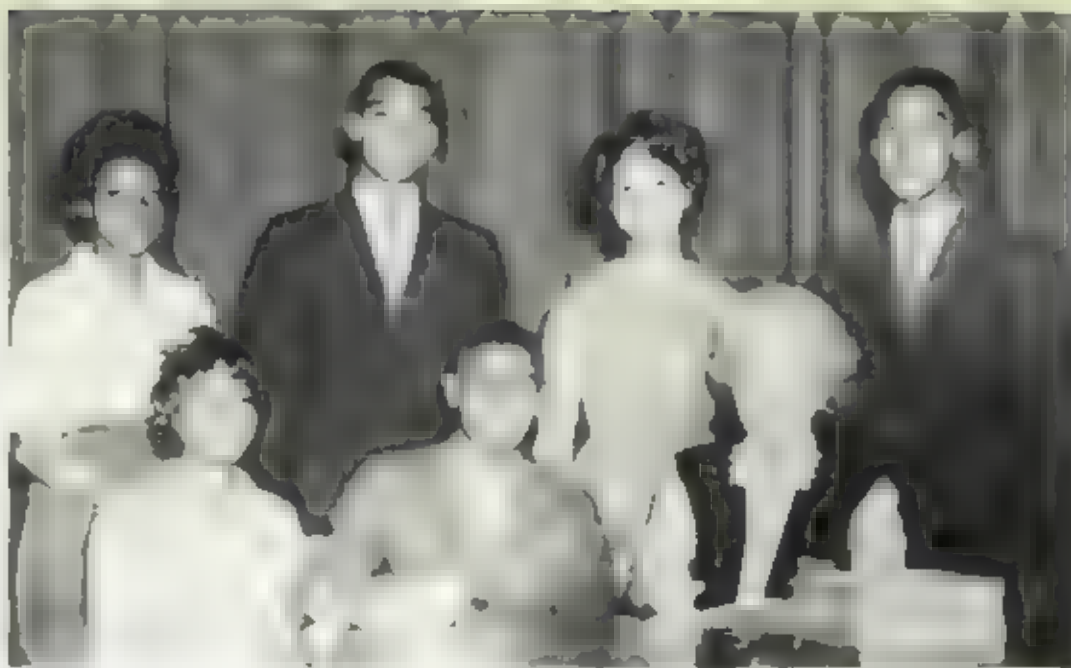

stands were gaily decorated. The House and Grounds decorated the front hall for Christmas. The Safety committee conducted a Fire Prevention Week. Fire slips were passed out and collected by the committee. The Special Funds committee took charge of the March of Dimes campaign, their second project of the year. The Constitution committee proved to be one of the busiest for the Council as they revised the Council constitution, completed the Code of Ethics, and wrote the much needed Handbook. The final project for the first semester Council was a mixer for the purpose of raising money.

This year, the Council was not only active in school affairs but also took an active part in the All-City Student Council and sent seven representatives to the regional meeting of Missouri Student Councils.

SECOND SEMESTER STUDENT COUNCIL

The student body elected the officers of the second semester as soon as the second semester started. However, three votes had to be taken before Ronald Holden was elected president. Brenda Locke was elected vice-president. Taking the ball from there the homerooms chose the members to make up the remainder of the council. From this number Deidra Thomas was chosen secretary and William Brown was chosen sergeant-at-arms. This completed the cabinet along with the president, vice-president, and students who tried out for president. With Ronald as president, and Miss Liebengood and Mr. Cooper as sponsors, the council carried out several activities.

At an early meeting, five standing committees were appointed to plan the activities of the council. Such activities as a talent show and a student day were among the projects undertaken. The council also sent representatives to participate in the state student council meeting held this year at Southwest High School and the annual city hall day.

This year was a very active one for both the first and second semester councils. Their many activities and projects upheld the fine traditions of our school.

AQUILIFERI

The purpose of the Latin Club is stated in its name. The club name is derived from two Latin words, Aquila and Fero which together means Eagle Bearer. The club carries on the traditions of the Romans. The only requirement for members is that they be interested in the club and a student of Latin.

The Latin Club has had a very interesting year. The purpose of the first meeting was to acquaint new students with the club. Refreshments were served. A program for Christmas was planned by the first year students. A play written by the students was presented. Games were also played. A Valentine program was put on by the advanced classes. They also presented plays written by students. The big event of the year was attending the regional convention of the Junior Classical

League. Twenty-five students from the club attended. They presented an original skit, 'The Death of Orpheus'. All of those attending wore Roman Costumes, many of them made by the participants. Russell Rhodeman was Central's candidate for an office.

This year because of the state convention of JCL was held at the University of Missouri, Central was able to attend. The club also sponsored a mixer in order to finance their Roman Banquet held in conjunction with Latin Week in April. The officers for the year were: Forestal Lawton, President; Russell Rhodeman, Vice President; Sandra Walker, Secretary; Percy Myers, Treasurer; Sharon Nolan, Songleader. The sponsor is Mr. E. B. Stevenson.

Its membership is open to any second year student and first year 'E' and 'S' students of Spanish. The club meets in 401 on the second and fourth Tuesdays. Colorful Spanish decorations, costumes, and music enliven the meeting and foster a desire to speak Spanish as it is spoken down Mexico Way. A gay Christmas party with pinata in the form of a bird, gifts, and songs; an Aztec ritual initiations ceremony, a fiesta at the Gualdelupe Center and an all-school mixer on

Pan-American Day were very enjoyable projects conducted by the Spanish Club and their sponsor, Mrs. Dorothea Douglas.

A.A.U.W.

AAUW is part of an auxiliary of the American Association of University Women in that they sponsor ten girls from each high school, five seniors and five juniors chosen by the counselor and the girls most likely to succeed in college. Mrs. Arthur Smith is the member sponsoring the Central girls. The Association entertains, in their club rooms, the girls at a very lovely Christmas brunch at which time alumni tell of their college experi-

ences. The club also has a fall tea and conducts trips for the girls to neighboring campuses. At Central, the ten girls seek to encourage better scholarships by listing names of students making 5, 4, 3, E's each grade period and by giving tea for Honor Society girl members.

BOOSTERS

The Boosters is a club which grew out of Miss Kite's English Literature classes in 1959-60. Twenty enthusiastic senior girls rallied to the need to increase lagging Luminary subscriptions and football season ticket sales. Their interest embraced any worthy cause for the good of the school and by chance they became known as the "Boosters". This spirit has prevailed. Whenever

there seemed to be a lag, the Boosters gave the cause a boost!

This year under Rose Weldon's presidency these girls in blue and white jacket have been seen in the cafeteria, halls, and in the auditorium supporting Central in the Central-way.

DECLARATIVES

Are you interested in world as well as national and local events? Do you enjoy discussions? Are you interested in improving your thinking and oral expressions? Do you have fourteen scholarship points? If your answer to these questions is 'yes', then the Declaratives is the club for you. This unique club, organized in 1959, is not only the most select, but also one of the most popular clubs in school.

This year to spearhead their varied activities, the club elected the following officers: Barbara Vertreese,

President; James Burgess, *Vice-President*; Deborah Thomas, *Secretary*; and Troy Rinacke, *Sergeant-at-Arms*. Miss Williams is the sponsor.

One of the first activities planned by the club this year was the second annual Homecoming tea for graduates just before the Christmas recess. A youth program on world peace and assisting the PTA in their candy sale were among the projects sponsored by the club.

This year the club also designed and purchased club pins for each member.

The objectives of the F.H.A. are to help individuals improve personal, family and community living, and to further their interests in home economics. The club's membership is open to any boy or girl who has taken a homemaking course either in junior or senior high school.

This year members represented Central High School chapter of Future Homemakers of America at the state meeting held in Jefferson City, Missouri. The local chapter also gave a Christmas Hop, at which everyone had a marvelous time as they twisted and turned to

the popular music. In order to celebrate "Home Economics" Week an assembly was presented with the theme of "Homemaking in Everyday Life."

The Sweetheart Dinner, which has become an annual affair for the Future Homemakers, was held in full splendor. The girls planned and prepared dinner for their dates and a few members of the faculty. You will find these energetic girls meeting with their sponsor, Mrs. E. Sheffield, every second and fourth Thursday of the month.

The neatness of Central's halls are the responsibility of the eight students chosen to be on Locker Patrol each hour. They also furnish the first act of courtesy to visitors of our school.

In addition to the discussions the club has had two different sales of ribbons "spirit" and "wishes" to finance their various activities. AUDIO-VISUAL AIDS

The Audio-Visual Aids is a group of young men who give up their "study" time to act as custodians and monitors of the audio-visual equipment owned by the school and workable for any teacher's use. The boys besides being responsible and orderly have the technical knowledge to keep the machines in operational order and to assist a teacher when necessary in the use of the machines. In addition to delivery and collection the boys set up the P-A system for assemblies and mixers. Mr. Christopher and Mr. Keith select and supervise the aids.

"C" CLUB

The 'C' Club is one of the oldest clubs at Central and is the Honor Society of the Athletic department. When you see a boy in a blue jacket with a large 'C' decorated with various school insignia, you may well know he is a 'C' club member; also he may be wearing a white sweater with the blue 'C'. These boys have lettered in at least one varsity sport: football, basketball, or track. From this year on swimming will be added to the events. Many of these athletes have lettered in all

the sports. So they are the medal winners of the sports.

In addition to their achievements, they are the makers of rules and regulations for their organizations. They set up the standards of achievement and scholarship, and pass on the boys presenting themselves for membership. Their financial ventures are for the purpose of procuring jackets and/or sweaters for the members. Coach Harry Slaymaker is their inspirational sponsor.

THE PEP CLUB

If you wish to join the Pep Club, be a girl, attend the games, stand well in school, and promise to pay your dues. The purpose of the club is four fold: to promote good sportsmanship, to develop wholesome school spirit, to develop loyalty to the school and teams, and to promote cooperation between the faculty and students.

Snappy blue sweaters and coulottes trimmed in white insignia distinguish these "peppy" Centralites. In the school on game days and on the field, their particular responsibility is to assist the Cheerleaders in encouraging the team to "beat-ern"!

Colorful titles of columns such as: "The Corn is Green," "Live and Let Live," "Buzzin' Around," "Grads," and "Little Gleams" tease the readers' attention.

The Newswriting first semester class is composed of students making satisfactory English grades and having an aptitude for writing. The paper is published by the second semester class.

C.O.E.

COE stands for Cooperative Occupational Education. COE is a cooperative undertaking in which the school and local industries work together in providing students vocational training in the occupation of their choice.

"Earning while learning" is the theme of C.O.E. students. They earn wages and also two units of credit that will be accepted by most state colleges as entrance credit to college.

Upon graduation, COE. students have earned some advantages over students taking a regular course. They have received training for a job and are already employed. This supervised training in the work processes of the occupation of their choice will be a great advantage to them after high school.

LIBRARY PAGES

The Library Pages are not really an organization but they are a unique group. In order to be a Library Page, a student must have an 'M' average and his average must not drop after he starts working. Being a Page is also an honor for the student for he is in a very select group. The Page is initiated to the many things about the Library that the average student never sees. A Page must return books to the shelves in their correct order.

He must also know how to check out books and be prepared to actually run the Library in the absence of the Librarian. Each Page in the Library is assigned specific duties that he must perform.

This year Richard L. Carter, Donald Jackson, and Robert Brashier work in the Juvenile section while Jessie Graves and Howard Jacks work in the Adult section.

This year the Red Cross sent members to the training center at Unity Village, as well as taking care of the distribution of Christmas stockings to the Veterans Hospital. Every home room is represented by one member on the Red Cross. There is also an executive board and a president. This year Ronald Holden is president with Mitchell Allen, Alveda Robertson, Berkley Parnell, Loretta Mitchell, Betty Bryant, Wanda Craig, Anita Tucker, Charlene Essex, and Louis Cain as members of the board. Mrs. Elizabeth Rutledge is the sponsor.

OFFICE GIRLS

The group of young ladies who work in the offices of Central are very versatile. They answer the phone, deliver important messages, file cards, and a great number of many other tasks which enable them to be of a great help to the secretaries in the office. These girls may be found all seven hours of the day working in the attendance office, the counselors office as well as the main office. Many varied activities has a need for them to be talented and skilled as well as dependable.

CONCERT CHOIR

The Concert Choir of Central has built a reputation of being the best in Kansas City. It is kept busy singing at churches, P.T.A. meetings, television presentations, and also at the annual choir festival. The music performed by the choir is most difficult. An example of their music

performed is the world famous "Creation." They perform songs in four or six part harmony and on occasion, they sing in foreign languages. The most outstanding accomplishment of the choir this year is their beautiful tone that everyone loves to hear.

GIRLS' CHOIR

Every morning at second hour a very good quality of music originates in the southeast corner of the fourth floor. If you listen carefully, you will discover that the sound you hear is feminine and dainty. You are listening to the Central High School Girls Choir, under the direction of Mr. Vester Swingle. The mainstay of the choir is Mrs. Veva Koenig, the accompanist. The choir is composed of sixty lively, talented girls.

The choir never seems to relax because of the heavy schedule that keeps them busy learning new music and perfecting the music they know. The choir presents at least four school assemblies a year. They also sing at various civic functions and churches, and participate in the All-City Girls Choir Festival.

The 1962 squad of Varsity and B-team cheerleaders was composed of three seniors, eight juniors, and three sophomores. For these four girls the year started in June of 1961 when they were elected by the student body as cheerleaders. Eight of them went to the cheerleaders camp held on the campus of Oklahoma University. There they placed first as one of the best squads at camp. These girls have led the cheers that have led Central teams to victories. Their sponsor is Miss Thompson. Deidra Thomas is Varsity captain and Pat Whittaker is B-team captain

Central's 1961 football squad in compiling a 5 and 2 league record produced its best season since the 1958 campaign. With 11 returning lettermen, the mighty Eagles opened the season against Westport. In a very hard-fought contest the Tigers came out with an 8-point advantage. One bright spot for the Eagles was a 94-yard sprint from scrimmage for a touchdown.

The next week the Eagles started a 5 game winning streak against the Redbirds of Manual. By the end of the game the Eagles had rolled up 33 points and the alert Eagle defense kept the Redbirds inside their 50 yardline. The fighting Pirates of Paseo took a few breaths before succumbing to the Eagle tidal wave the next week in an 18 to 6 victory for the Eagles.

In one of the hardest fought games of the season, the Eagles squeezed by the East Bears 7 to 6 in a televised contest. The gaiety of Homecoming was further evidenced as the Eagles crushed the Tigers of Lincoln by a score of 26 to 0. The defense played one of their

best games in holding the Tigers to 28 yards rushing. The Vikings stunned the Eagles the next week by scoring 8 points, but the tremendous speed of the Eagle backfield roared back with 13 to win 13 to 8.

With a combination of cold weather and the single wing offense of Southeast, the season and the winning streak of the Eagles ended. The Knights racked the Eagles 27 to 0. In a post-season game the Golden Eagles of St. Joe C.B. slipped by our Blue Eagles 6 to 0.

This was a season that Centralites will long remember. Games were well attended by students. Their faithfulness was well rewarded by our representation on the all-star teams. Halfback Robert Wright was selected for the first team of Interscholastic stars. End Adolphus Mooney and Center Richard Tolbert were on the second team. John Collins, Ed Scott, and Ronald Howard were selected for the third team. Robert Wright and Ronald Howard were also selected for the all district teams.

Coaches Stanley and Edwards

Central's 1961 junior varsity, composed of 39 sophomores and juniors, won the city title with a 6 and 1 league record. The tough Eaglet defense played a key role in the Little Blue wins. The speedy backfield rolled up 18 touchdowns in 7 league games. Shutting out four of their opponents, the Eaglets racked up 111 points while limiting their opponents to 32.

In their first two league games, the Eaglets ran by Westport and Manual with scores of 36 to 12 and 24 to 0. Stunned by the Cubs of East the Eaglets suffered a 13 to 6 loss in their next game. Not to be dismayed by the loss, however, the Eaglets shut out Paseo 6 to 0; Lincoln 12 to 0; and Southeast 13 to 0.

In their next game with the Vikings of Northeast, the Eaglets wrapped up the title with a 13 to 7 victory. In a non-league contest the Eaglets lost to the Wm. Chrisman Bears 21 to 0. The experience gained by our fine championship team should provide many thrills for Varsity fans in years to come. .

1962 VARSITY

Freshman Coach Little, Varsity Coach Wilkinson, and B-team Coach Coomes.

STUDENT MANAGERS — R. Clifton, D. Crompton, and F. Smocks.

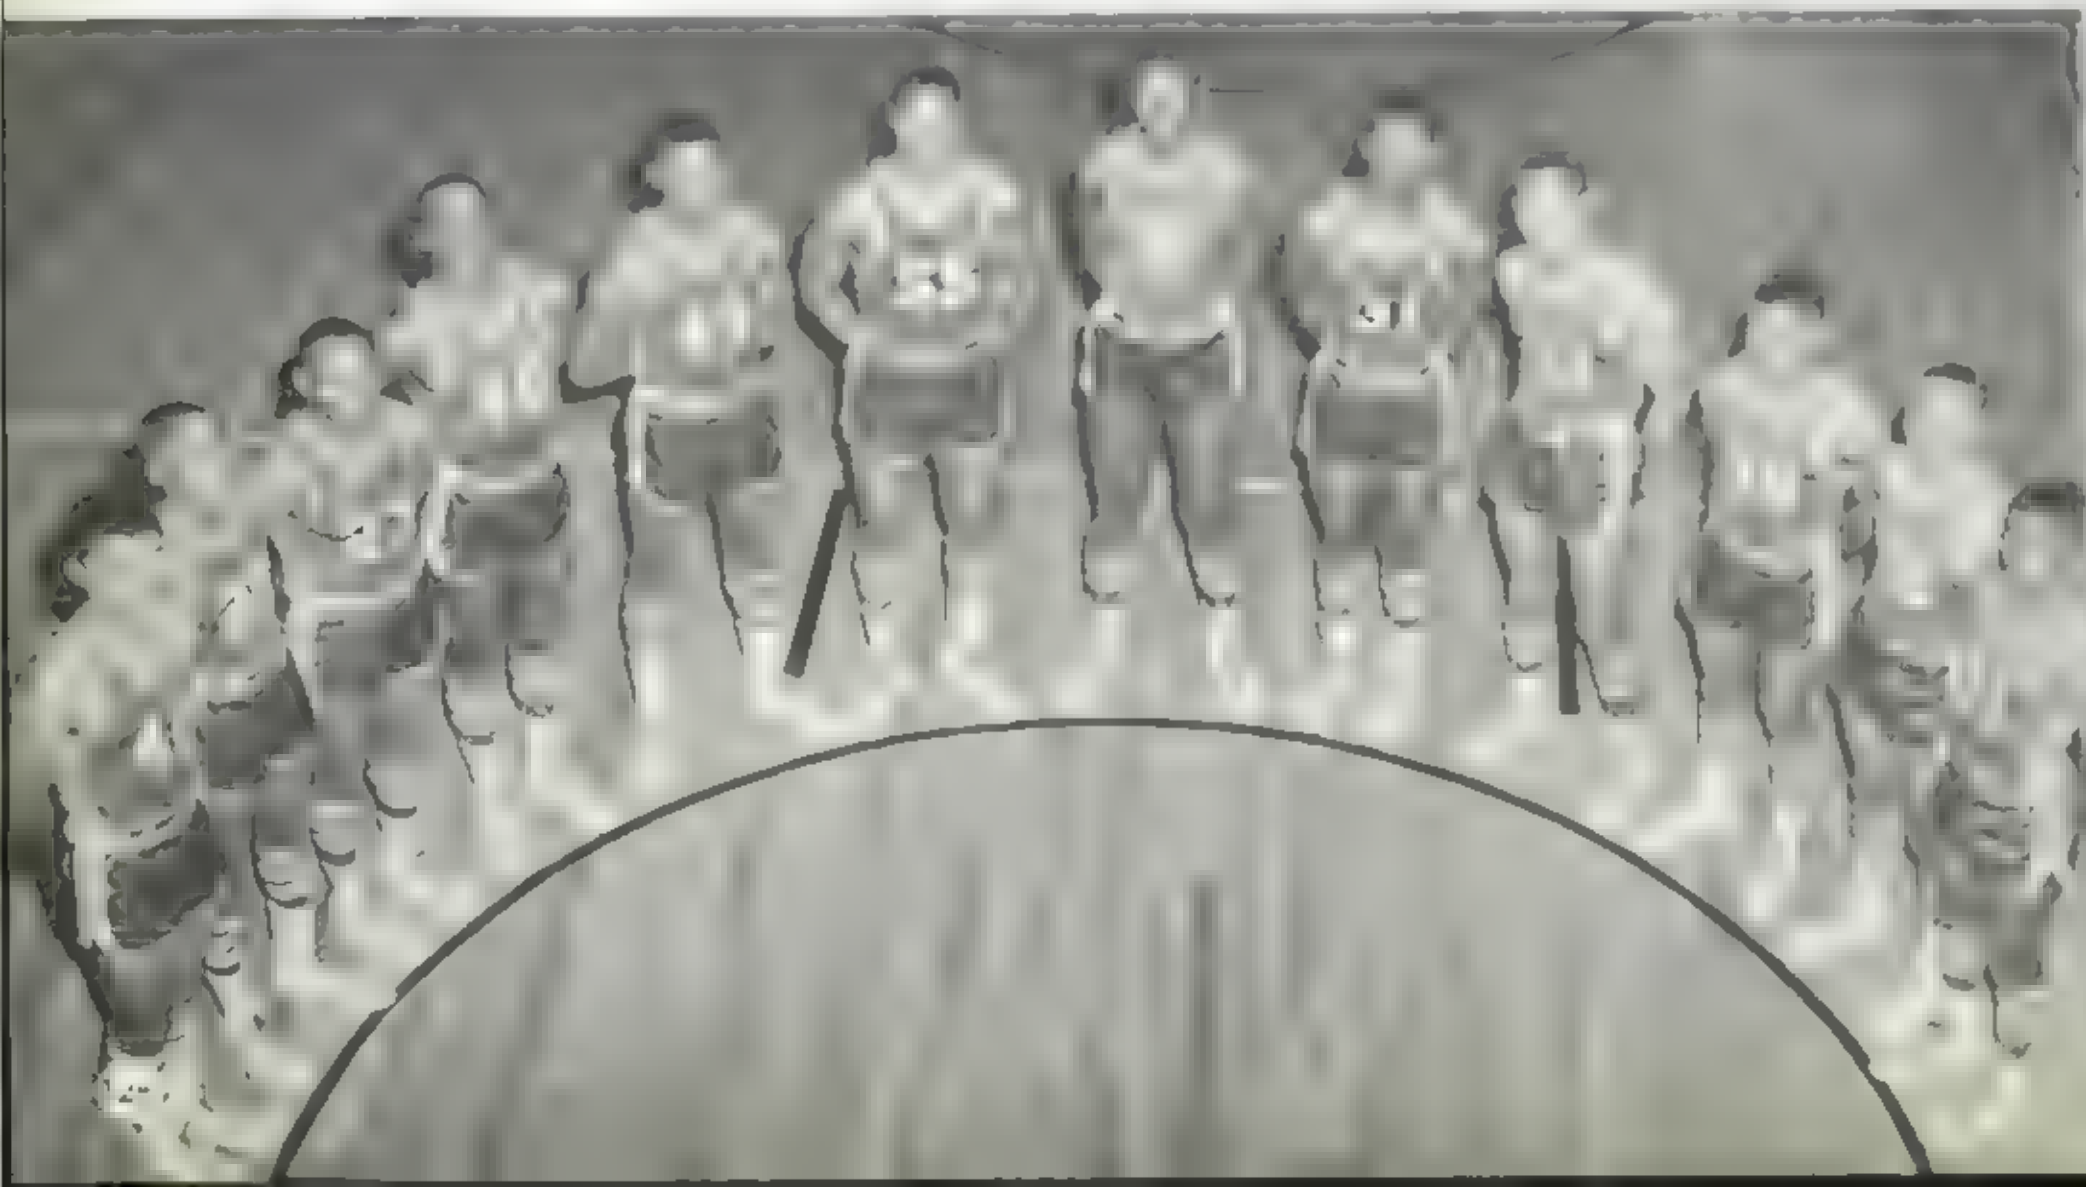

The 1961-62 basketball edition of the Central Eagles compiled the best record of a Central team under the reign of James Wilkinson, Varsity Coach at Central for three years.

After placing third in the Interscholastic League Tournament, the mighty Eagles successfully opened league play with a thrilling 60 to 55 win over Paseo. The Eagles then suffered a heart-breaking 60-53 loss to Raytown. The loss, however, did not upset the Eagles as they reeled off 5 straight victories. Rated as one of the top teams in the area, the Eagles ran by Manual, East, and Southwest by scores of 54 to 37; 57 to 43; and 60 to 36. The Eagles then ran their league record to five wins and no losses with a two-point 33 to 31 victory over Westport.

Traveling to St. Joseph to avenge a football defeat, the Blue Eagles crushed the Central High School Indians 43 to 37. Having compiled a 10 to 2 record, the Eagles set the stage for the game of the year with the Knights of Southeast. In a very hard fought contest, the Knights solved the Eagle defense and won 64 to 52. The Eagles got back on the winning side by beating Northeast 51 to 40. They then crushed the Tigers of Lincoln 61 to 54 before being edged by Van Horn 47 to 44.

This year the Eagles were paced by sophomore Warren Armstrong and senior Melvin Estell. However, John Collins, Charles Jackson, Robert Wright, Kermit McMurray, and Adolphus Mooney could always be counted on for outstanding performances.

B-TEAM. Central's 1962 B-team gained valuable experience that should prove helpful to them next year. The team composed of juniors and sophomores should give Central fans many thrills in years to come.

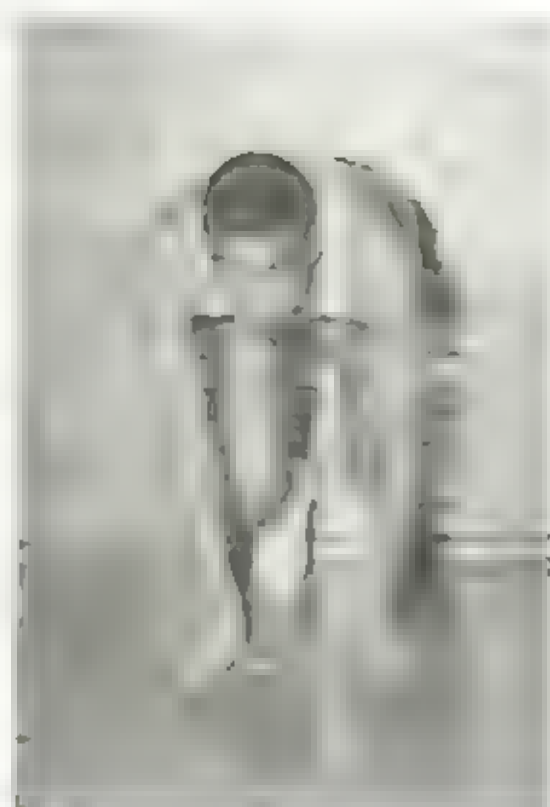

FRESHMAN TEAM. The Freshman team at Central, in its second year of operation has proven its worth by turning out many fine players. This team gives many freshman boys the opportunity to play in league competition.

Rodney Lynk prepares to pole vault

Walter Bartlett is set to go.

The track season at Central is divided into three parts: Cross-country, indoor, and outdoor. Cross-country is run in the fall during the football season. Cross-country is one of the more strenuous types of track for it consists of distant running. Several of the meets this year were held during the half-time of football games. Central's team performed well this year in winning most of their meets.

The second part of track is indoor track. Central's team performed far better than expected. In addition to excelling in the sprints, the Blue Eagles added several field events to their wings. The mighty Eagles ran by their first three opponents: Wm. Chrisman, Northeast, and Rockhurst by scores of 68 to 22; 60 to 34; and 64 to 31. In these three meets, the Eagles won 15 of 21 sprints and 10 of 13 field events. The highlight of the indoor season came with the Big Eight Track and Field Meet held in Municipal Auditorium. The Eagles, who won last year's event, won again this year with 20 points. Their closest opponent had 14.

The third part of the track season is similar to indoor track only it is held outdoors in the spring of the year. This part of the track season is highlighted by the State Meet held at the University of Missouri.
